Scum Of The Earth

Rob Zombie

Scum of the earth, come on
Yeah, run and kill, I destroy the will
A hero that doesn't exist, yeah
Smoking gun, well, I am the one
A bullet hole in your fist, yeah
Hey, I'm breathing, hey, I'm bleeding, hey, I'm screaming
Scum of the earth, come on
Hey, I'm breathing, hey, I'm bleeding, hey, I'm screaming
Scum of the earth, come on
Yeah, wake up dead, bleeding red
A world that doesn't exist, yeah
Heaven waits with the gates
Rusting in the mist, yeah
Yeah, hey, I'm breathing, hey, I'm bleeding, hey, I'm screaming
Scum of the earth, come on
Hey, I'm breathing, hey, I'm bleeding, hey, I'm screaming
Scum of the earth, come on
Go, go, go, go, go, go
Go, go, go, go, go, go
Yeah, run and kill, I destroy the will
A hero that doesn't exist, yeah
Smoking gun, well, I am the one
A bullet hole in your fist, yeah
Hey, I'm breathing, hey, I'm bleeding, hey, I'm screaming
Scum of the earth, come on
Hey, I'm breathing, hey, I'm bleeding, hey, I'm screaming
Scum of the earth, come on
Hey, hey, hey, hey, hey, hey, scum of the earth
Hey, hey, hey, hey, hey, hey, scum of the earth
Hey, hey, hey, hey, hey, hey, scum of the earth
Hey, hey, hey, hey, hey, hey, scum of the earth
