The Great Commandment (Extended Dance Mix)

Camouflage

Some people suppress you
They partch you
And reap a disaster
Reeducation for the enfants
Who demanded for an innocent instanceThe great commandment
Shows the contempt
Between the world and their
Embarrassing pavement
Believe the scholars
Read the readings
Realize the man who says anything
The great commandmentThe needies believe you
They treat you
Like survivors of a disaster
Reeducation for the enfants
Who demanded for an innocent instance
The great commandment
