Summertime Anthem

Mr. Capone-E

Nothing like the summer time, baby
Homies in the park go, crazy
Cruisin' in the block with your lady
In the, in the, in the sunshine
Kickin' back to the summertime anthemCruisin' in your ride with the summertime anthem
I know you're feelin' that summertime anthem
So get down with the summertime anthem
Summertime, summertime, summertime, yeah
I know you're feelin' it, yeah heyIt's summer time and I'm feelin' so good
Wake up in the mornin' with the player's groove
The weather's hot and I'm in my drop top
Family and my friends rollin' through the parking lotToday's a good day, so call out the DJ
Bring the Gatorade, it's a sunny day
By the way I'm so fresh and so clean
Out in the sunshine, you know what I mean?A lot of vatos stress, so it's time to chill
I'm home and I'm relaxin' with the meat on the grill
And for real, the girls lookin' so fine
Dressed to impress and the weather's 89All the time, the homies bring the cars out
Black, white, brown, Asians no doubt
It's a holiday, it's a sunny day
Summertime anthem sing along heyKickin' back to the summertime anthem
Cruisin' in your ride with the summertime anthem
I know you're feelin' that summertime anthem
So get down with the summertime anthem
Summertime, summertime, summertime, yeah
I know you're feelin' it, yeah, heyIt's still hot as I reach the mid-day
Water balloon fight, as the kids play
Another day in the summer sunshine
Kites in the air as the food gets preparedAll the fellas looking for the pretty girls
(The pretty pretty girls out in the summer world)
Like DJ Jazzy Jeff and Fresh Prince
It's 'Summertime' again, let's reminisceAnd how summer comes and goes and comes again
School's out, let's all have some fun again
Everyone with the ring tones blowing up
It's the summer anthem song, so you know what's upPlay it loud, in the park, cruisin' in your ride
Everybody doing like these other kid times [unverified]
Never mind your problems, they go away
It's summer time everyday is a good dayNow it's 6 o' clock and it's feelin' so good
Summer breeze straining throughout the neighborhood

Time to pack up the bags and the roll on now
Tempting the giggles with the music playin' loudToastin' like it was '94
Remembering Wittier Boulevard after the car show
Dammit, those were the good old days
But the summertime's back and it's time to playNothing like summertime, baby
Homies in the park goin', crazy
Crusin' in the block with your lady
In the, in the, in the sunshineWorkin' like the summertime, baby
Girls lookin' hot playa, face me
I'm so fresh from cleanin' so they praise me
In the, in the, in the sunshineLookin' back to the summertime anthem
Cruisin' in your ride with the summertime anthem
I know you're feelin' that summertime anthem
So get down with the summertime anthem
Summertime, summertime, summertime, yeah
I know you're feelin' it, yeah heyWest Coast feelin' it, summertime anthem
East Coast feelin' it, summertime anthem
Midwest feelin' it, summertime anthem
Down south feelin' it, summertime anthemYeah, summertime
It's the summertime anthem
Ha ha, Mr. Capone-E, oh
