Lost in Space

Lighthouse Family

Sometimes I get tired of this me first attitude
You are the one thing that keeps me smiling
That's why I'm always wishin' hard for you'Cause your life shines so bright
I don't feel no solitude
You are my first star at night
I'd be lost in space without youAnd I'll never lose my faith in you
How will I ever get to Heaven, if I do?Feels just so fine
When we touch the sky, me and you
This is my idea of Heaven
Why can't it always be so good?But it's alright, I know you're out there
Doing what you gotta do
You are my soul, satellite
I'd be lost in space without youAnd I'll never lose my faith in ever you
How will I ever get to Heaven, if I do?And I'll never lose my faith in ever you
How will I ever get to Heaven, if I do?I'll never lose my faith in you
And I'll, I will never lose my faith in you
And I'll, I will never lose my faith in you
And I'll, I will never lose my faith in you
