Ex-Factor

Pollie Pop

It could all be so simple
But you'd rather make it hard
Loving you is like a battle
And we both end up with scars
Tell me, who I have to be
To get some reciprocity
See no one loves you more than me
And no one ever willIs this just a silly game?
That forces you to act this way
Forces you to scream my name
Then pretend that you can't stay
Tell me, who I have to be
To get some reciprocity
See no one loves you more than me
And no one ever willNo matter how I think we grow
You always seem to let me know
It ain't workin'
It ain't workin'
It ain't workin'
And when I try to walk away
You'd hurt yourself to make me stay
This is crazy
This is crazy
This is crazy
This is crazyI keep letting you back in
How can I explain myself?
As painful as this thing has been
I just can't be with no one else
See I know what we've got to do
You let go and I'll let go too
'Cause no one's hurt me more than you
And no one ever willNo matter how I think we grow
You always seem to let me know
It ain't workin'
It ain't workin'
It ain't workin'
It ain't workin'
And when I try to walk away
You'd hurt yourself to make me stay

This is crazy
This is crazy
This is crazy
This is crazyCare for me, care for me
I know you care for me
There for me, there for me
Said, "You'd be there for me"
Cry for me, cry for me
You said, "You'd die for me"
Give to me, give to me
Why won't you live for me?Care for me, care for me
You said, "You care for me"
There for me, there for me
Said, "You'd be there for me"
Cry for me, cry for me
You said, "You'd die for me"
Give to me, give to me
Why won't you live for me?Care for me, care for me
You said, "You care for me"
There for me, there for me
Said, "You'd be there for me"
Cry for me, cry for me
You said, "You'd die for me"
Give to me, give to me
Why won't you live for me?Care for me, care for me
You said, "You care for me"
There for me, there for me
Said, "You'd be there for me"
Give to me, give to me
Why won't you live for me?
Cry for me, cry for me
You said, "You'd die for me"Care, care, care
(Where were you)
Give
(When I needed you)
Care, care, cry
GiveWhere were you
When I needed you
Where were you
You you you
Do do do
