

Love Is

Roger Daltrey

As cold as it seems
When truth brings you heartache
Its so hard to believe
When love hits the wall Love is
My faith in you
When it could have ended
And your trust in me Love is
Everything I need to live
Love is
Everything that we forgive
Love is
Every crime of passion
Thats what love is Where would I go?
What would I do?
What would it mean?
To meet a perfect stranger Why do we hurt?
Who draws the line?
When do we learn to look inside?
What love is So many years
You cant take for granted
You cant take away
All the things you are Together so long
I know where my heart is
Somewhere in me
(Oh yes)
Ill find a way to show Love is
Every lesson we have learned
Love is
Every soft unspoken word
Love is
Every crime of passion
Thats what love is Where would I go?
What would I do?
What would it mean?
To meet a perfect stranger Why do we hurt?
Who draws the line?
When do we learn to look inside? Everything I need to live
Love is
Everything that we forgive

Love is
Every crime of passion
Thats what love is Love is
Every lesson we have learned

Love is
Every soft unspoken word

Love is
Every crime of passion
Thats what love is
