

Suited n Booted

Snoop Dogg

That's Short Jay
Gators on your feet, six piece outfit
Hat to the side, four bitches on your arm I keep my glass in my hand
In case I want to get my drink on
Feeling way pimping
Should I put the white mink on You got to do it
Suited 'n' booted
Me and my niggas stay
Suited 'n' booted Game is tight
I'ma put this gold link on
Feeling way pimp
Should I put the blue mink on I got to do it
Suited 'n' booted
Me and my niggas stay
Suited 'n' booted What you think we toasting for
Me and my nephews west coast for sho
We keep the best of Indigo
We count our blessings, give thanks and then we blow I'll say it again, I know I've said it before
Why Snoop be letting his mink drag on the floor
That's pimp shit, something you wouldn't know
G'd up from the feet up, laying low Game on lock
That's why I got this link on
Feeling way pimpin'
Should I put the green mink on You got to do it
Suited 'n' booted
I got to do it
Suited 'n' booted I keep my glass in my hand
In case I want to get my drink on
Snoop Dogg clothing
With a light pink mink on You got to do it
Suited 'n' booted
Me and my niggas stay
Suited 'n' booted Mayre Gators, may like boots
Seven piece custom made suits
Hats to match, counting my chicken stratch
Just cut a deal with Cadillac For real, that's why I be dressed to kill
Sixty-five G's for a Snoop Deville
Get you one, matter fact get two
They come in burgundy, but I'ma paint mine blue I can't come through half steppin'

I keep me a cane as a potential weapon
Slap a bitch or beat a nigga up too
I do what the fuck I want to do I stay cool, act the fool, represented
Hard from the get go, so hard to the finish
The cleanest, the meanest, I know that's right
And don't get too close, 'cause these gators bite Game is lock
That's why I got this link on
Feeling way pimpin'
Should I put the orange mink on You got to do it
Suited 'n' booted
I got to do it
Suited 'n' booted I keep my glass in my hand
In case I want to get my drink on
Snoop Dogg clothing
With a honey brown mink on I got to do it
Suited 'n' booted
Me and my niggas stay
Suited 'n' booted Yeah, suited n booted, baby
Lemme add something up for you real quick
Fifteen-hundred dollar gators
Six thousand dollar suit, twelve-hundred dollar hat My muthafuckin' glass cost eight-hundred dollars

Plus the ounce that I got in my pocket
