

Do You Really Want to Hurt Me (Quivvers remix)

Culture Club

Give me time to realize my crime
Let me love and steal
I have danced inside your eyes
How can I be real Do you really want to hurt me
Do you really want to make me cry
Precious kisses words that burn me
Lovers never ask you why
In my heart the fire is burning
Choose my color find a star
Precious people always tell me
That's a step a step too far Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry Words are few
I have spoken
I could waste a thousand years
Wrapped in sorrow, words are token
Come inside and catch my tears
You've been talking but believe me
If it's true you do not know
This boy loves without a reason
I'm prepared to let you go If it's love you want from me
Then take it away
Everything's not what you see it's over again Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry
