A Brand New Song

John Mellencamp

Sweet belly of the moment
Youve realized youve changed
And everything you are after
Well, has gone down the drainYoure nothing more than just a drifter
As you walk down your road
Not exactly the picture
You thought youd be sending homeAll these places mean nothing
Its the people we count on
Here without a purpose
Gone without a songYesterday seemed so sudden
Today seems to have no end
So you button up the buttons
Say goodbye to what has beenThose black and white pictures
That file through your veins
Thats the trouble with the future
It always stays the sameAnd your prides been shaken
And those people you count on
Here without a purpose
And gone without a song, without a songIn the uncertainty of a new day
Opportunity may howl
You hear the voice in a new way
In the past you didnt know howYoure old enough to know the difference
Between an enemy and a friend
With the eyes of knowledge upon you
Youre able to stand up againLife is always in motion
And theres new people to count on
Here you may find a purpose
And sing a brand new songLife is always in motion
New people to count on
Here we find a purpose
To sing a brand new song
Brand new song, sing a brand new song
