Country Strong

Gwyneth Paltrow

I know you see me like some wide eyed dreamer
That just rolled in off up a dusty Midwest bus
Yeah, on the outside I look fragile
But on the inside is something you can't crush'Cause I'm country strong
Hard to break
Like the ground I grew up onYou may fool me and I'll fall
But I won't stay down long
'Cause I'm country strongI have weathered colder winters
Longer summers without a drop of rain
Push me in a corner and I'll come out fighting
I may lose but I'll always keep my faith'Cause I'm country strong
Hard to break
Like the ground I grew up onYou may fool me and I'll fall
But I won't stay down long
'Cause I'm country strong'Cause I'm country strong
Hard to break
Like the ground I grew up onYou may fool me and I'll fall
But I won't stay down long
'Cause I'm country strong
I'm country strongYeah, I'm country strong
I'm country strong
I'm country strong
I'm country strong
