

# Country Strong

Gwyneth Paltrow

I know you see me like some wide eyed dreamer  
That just rolled in off up a dusty Midwest bus  
Yeah, on the outside I look fragile  
But on the inside is something you can't crush 'Cause I'm country strong  
Hard to break  
Like the ground I grew up on You may fool me and I'll fall  
But I won't stay down long  
'Cause I'm country strong I have weathered colder winters  
Longer summers without a drop of rain  
Push me in a corner and I'll come out fighting  
I may lose but I'll always keep my faith 'Cause I'm country strong  
Hard to break  
Like the ground I grew up on You may fool me and I'll fall  
But I won't stay down long  
'Cause I'm country strong 'Cause I'm country strong  
Hard to break  
Like the ground I grew up on You may fool me and I'll fall  
But I won't stay down long  
'Cause I'm country strong  
I'm country strong Yeah, I'm country strong  
I'm country strong  
I'm country strong  
I'm country strong
