

Wrap Your Arms Around Me

[Agnetha Faltskog](#)

Wrap your arms around me When you're so far away at the end of each day
Counting the moments till you fade away
Inside my soul, under passion's control
Are feelings I can't find the words to explain
Just like the first time I'm helpless again Wrap your arms around me let your love surround me
Make love to me now like never before
Wrap your arms around me from the day you found me
You'll never be alone The nights are so cold with just your memory to hold
I've tried to be strong, reaching out holding on
Alone in my bed, I cling to each word you said
Wanting you more everyday we're apart
And each precious moment is safe in my heart Wrap your arms around me let your love surround me
Make love to me now like never before
Wrap your arms around me from the day you found me
You'll never be alone
