

# I Can't Help You

## Bodyjar

A look of judgement cast aside,  
as I make conversation.  
He looks at me as if to say  
I'll talk to you but we don't deal with your kind.  
A place to live is hard to find.  
I will not be a victim of your narrow minded view,  
and with my own devices I have ways not known to you.  
Solemn angry face from everyone who's in this place.  
A rental sheet is not complete without that look of disapproval too,  
I might be moving in with you.  
I can't help you with your?
