

Baby Won't You Let Me Rock 'N' Roll You

Ten Years After

Baby, won't you let me rock 'n' roll you
Baby, won't you let me, let me stroll you
Baby, won't you let me rock 'n' roll you now Baby, won't you let me, let me shake you
Baby, won't you let me, let me break you
Baby, won't you let me really take you now Well, you remember, baby, how it used to be
I used to rock 'n' roll you around my knee
Well, I tell you, honey, gonna be alright
Gonna rock 'n' roll you all through the night Baby, won't you let me, let me shake you
Baby, won't you let me, let me break you
Baby, won't you let me really take you now I tell you, baby, gonna be alright
I'm gonna rock you all through the night
Well, you [Incomprehensible] how it's gonna be
[Incomprehensible] Baby, won't you let me sock it to you
Baby, won't you let me sock it to you
Baby, won't you let me rock 'n' roll you now
