Ordinary World

Red

Came in from a rainy Thursday on the avenue
Thought I heard you talking softly
I turned on the lights, the TV and the radio
But still I can't escape the ghost of you
What has happened to it all?
Crazy, some'd say
Where is the life that I recognize?
Gone away
But I won't cry for yesterday
There's an ordinary world somehow I have to find
And as I try to make my way
To the ordinary world I will learn to survive
Passion or coincidence once prompted you to say
Pride will tear us both apart
Well, now pride's gone out the window
Cross the rooftops, run away
Left me in the vacuum of my heart
What has happened to me?
Crazy, some'd say

Where is my friend when I need you most?
Gone away
But I won't cry for yesterday
There's an ordinary world somehow I have to find
And as I try to make my way
To the ordinary world I will learn to survive
What has happened to it all?
Crazy, some'd say
Where is the world that I recognize?
Gone away
And I don't cry for yesterday
There's an ordinary world somehow I have to find
And as I try to make my way
To the ordinary world I will learn to survive
Every one is my world
I will learn to survive
Every one, every one
Somehow I have to find
