Invisible

Chester See

Words can't describe just how pretty your smile is to me
How do you define a beauty that you've never seen
I think there could be something more
But am I wasting time
with you on my mind
Cause as hard as I try I'm ignored
Chorus
I sing a song but you can't hear as you walk by me
as you walk by me and I'll catch my breath
I'll sing again and I pretend that you might like me
you might like me but it's all in my head
it's all in my head
Verse 2
I don't know why
I just can't stop thinking of you
it hurts me inside cause I can't figure out what to do
never felt like this for someone before
why can't you hear me
why can't you hear me
I wish you could see but you don't
Chorus
I sing a song but you can't hear as you walk by me
as you walk by me and I'll catch my breath
I'll sing again and I pretend that you might like me
you might like me but it's all in my head
Bridge
Oh I feel so invisible
Oh I feel so invisible
I feel so invisible
Chorus
I sing a song but you can't hear as you walk by me
as you walk by me and I'll catch my breath
I'll sing again and I pretend that you might like me
you might like me but it's all in my head
