The Poison

Brian Min

Now is your time to die
We've gathered here to say goodbye
No more you'll cry
No reason left for you to fight
Feel pain no more
Emotions never felt before
Where do we go, we go she'll never know
Holding on to you
To keep from falling
Your eyes are closing now
Another chapter's ending
Hard times we always saw
There's nothing left of you no more
Fear has no place, no place
Cover her face
Holding on to you
To keep from falling
Your eyes are closing now

Another chapter's ending
This is our last goodbye
Goodbye!
This is our time tonight
Holding on to you
Cover her face
Holding on to you
To keep from falling
Holding on to you
To keep from falling
Your eyes are closing now
Another chapter's ending
This is our last goodbye
Goodbye!
This is our time tonight
Goodbye!
This is our last goodbye
