Change (Bluey's Remix)

Incognito

What we got here is not a fool's dream
Really feel the need
We've come to ground like prisoners on the run
Just minutes away from freedomAin't no use in fooling ourselves
We really feel the need
Whatever it takes, nothing will be too much
We both long for better daysBaby we're different as the seasons
Never ever giving reasons
Left with the tears and the paralyzing fear
That brings us to our kneesChange, bring on the changes
Change, bring on the changesIt's no pretending, no denying
When you really feel the need
Got to hang on and be strong
Turn the tables, make the changeThe two of us, it's different as the seasons
Never ever giving reasons
Left with the tears and the paralyzing fear
That brings us to our kneesChange, bring on the changes
Change, bring on the changes
Change, bring on the changes
Change, bring on the changesThere's gotta be some give and take
If we ever gonna make a changeChange, bring on the changes
Change, bring on the changes
Change, bring on the changes
Change, bring on the changesBring on the changes
