

# Change (Bluey's Remix)

## Incognito

What we got here is not a fool's dream  
Really feel the need  
We've come to ground like prisoners on the run  
Just minutes away from freedom Ain't no use in fooling ourselves  
We really feel the need  
Whatever it takes, nothing will be too much  
We both long for better days Baby we're different as the seasons  
Never ever giving reasons  
Left with the tears and the paralyzing fear  
That brings us to our knees Change, bring on the changes  
Change, bring on the changes It's no pretending, no denying  
When you really feel the need  
Got to hang on and be strong  
Turn the tables, make the change The two of us, it's different as the seasons  
Never ever giving reasons  
Left with the tears and the paralyzing fear  
That brings us to our knees Change, bring on the changes  
Change, bring on the changes  
Change, bring on the changes  
Change, bring on the changes There's gotta be some give and take  
If we ever gonna make a change Change, bring on the changes  
Change, bring on the changes  
Change, bring on the changes  
Change, bring on the changes Bring on the changes
