

# Miss Bigmouth

## Satanic Surfers

Why don't you just shut up,  
keep quiet for a while,  
and let somebody else speak out,  
instead of you all the time.  
Yes, why don't you just shut up !  
stop whining for a minute !  
don't interrupt me all the time,  
please wait until i'm finished.  
Oh ! Miss Bigmouth, don't give me that buttface,  
and if you have to wear that buttface,  
just don't come around.  
And if she was a cartoon in our tv,  
everytime she ssid something,  
loads of shit would be coming, from her mouth !
