## Is It Love (Dancability Clubmix)

## Twenty 4 Seven

Maybe one day
I'll find a way
To make you say what you want to say
I'm hopin' you'll be

Da one that I see

And da one that I needNow I'm gonna try, to make you feel da things that I feel inside

Now maybe you'll cry

But with you I just can't lieWooh wooh

Tell me now what you want from me baby

Wooh wooh

Is it love that you want from me baby, yeahTell me please

I'm on my knees

So I can set my mind at ease

There's always a way

To make you say

That you want to stayNow just let me know

If I'm da one for you just let me know

'Cause I want to be

The only one that you see Is it love, is it love or romance

Or a trick to keep me in a trance

Take it on like da moon around da world

I'm just a fool for you girlCome down and don't keep me around

Take a trip with da sound

I want to let you know I'm not a fool for you

I will show you what you need to doBoom! My heart is pumpin'

And just for you it is jumpin'

I want to take you here, want to take you there

Everyday we'll be humpin'One time two times, tell ya

Gimme gimme your love and I'll hold ya

Make up your mind 'cause I need to know

Where to go
