Swinging Doors - TRK

swinging doors I can Look at you and bet
you don't Even miss me yet when you Know i can't forget

swinging doors i was Praying that it would last
then we Crashed and burned so fast now I'm Just another man in your past

it was just a Matter of time before you'd change your mind
and aNother man would come on in
i know you Wanted more and that your swinging doors
would just Open right up again

take a name and Baby just take a number
you Said there was no other now I'm Just that next ex-lover

it was just a matter of time before you'd change your mind
and another man would come on in
i know you wanted more and that your swinging doors
would just Open right up again

swinging doors i was Just another kiss
so why don't you Add me to your list and let Me get over this

swinging doors what Was I looking for
now I Know I'm just one more to walk Through your swinging doors
