

# I'm a Realist

## The Crips

I'm a realist  
I'm a romantic  
I'm an indecisive piece of shit  
(I'm an indecisive)

I'm a realist  
I'm a romantic  
I am indecisive and that's about it  
(I'm an indecisive)

And you dream that's the same thing  
That's the same life you lead  
I don't agree and so you drink, don't wanna think  
That's 'cause your mind is already made up

I'm a realist  
I'm a romantic  
I'm an indecisive piece of shit  
(I'm an indecisive)

I admit it, I'm up to my old tricks  
Did you see her eyes  
(Oh no, I tried)  
She looked surprised

And you dream that's the same thing  
That's the same life you lead  
I don't agree and so you drink, don't wanna think  
That's 'cause your mind is already made up

And you dream that's the same thing  
That's the same life you lead  
I don't agree and so you drink, don't wanna think  
That's 'cause your mind is already made up, love

I know that it's only a matter of time  
Before you know it, I'll be leaving town  
See it in my eyes  
That no one will do, no one will ever do

I know that it's only a matter of time  
Before you know it, I'll be leaving town  
Seen it in your eyes  
And no one will ever do, no one will ever do for you
