

# The Devil's Tongue

Mirel Wagner

The devil's tongue is long and rotten  
Do you remember or have you forgotten?  
The games we played, it's all the same  
It's all the same I was a child  
Not long ago  
The stairs were steep  
Too steep to follow I'll go  
Where, I don't know  
But I'll go  
With kindness and grace  
You brought what I paid  
It was just a game  
It's all the same anyway  
I'll go  
Where, I don't know  
But I'll go I'll go  
Where, I don't know  
But I'll go
