I Have Nothing

Abraham Mateo

Well, naked I showed up here
With nothing to my name
Pure and crazy, blameless
Baby, I'm ashamed
And naked I will leave here
With nothing left to say
My pockets full of empty
And now I'm not to blame
Well, I have nothing
(I don't have it)
I have nothing
(I don't need it)
I have nothing
(You can have it)
I have nothing
Nothing, nothing
Well, catch me when I'm falling
Into a strange, elusive state
And kick me when I'm stingy
Take everything away
'Cause yesterday is gone, now
And tomorrow isn't sure
Today is all I'm giving
And what I have is yours
'Cause I have nothing
(I don't want it)
I have nothing
(I don't need it)
I have nothing
(You can have it)
I have nothing
Nothing, nothing
Oh, why do I put so much time?
Old things I leave behind
That were never mine
Oh, why? Oh, why?
Oh, why? Oh, why?
I have nothing
(I don't want it)

I have nothing
(I don't need it)
I have nothing
(You can have it)
I have nothing, nothing
Well, I have nothing
(I don't want it)
I have nothing
(You can have it)
I have nothing, nothing
Nothing, nothing, nothing
