I Can Tell

Jesse Powell

(intro)-I know you want me, the way that I want you

(verse 1)
So why you peepin' from afar,
Do you want me,
Baby I can tell you why your wonderin',
What my love is all about, if I can put it down,
Come home with me so you can see, ooh

Tonight we'll go on & on
Feelin' strong
Let's make love to the early morn-in'
On & on keep it strong
All night tonight

(chorus)
I can tell, you want it
Do you well?
Girl I'm so into you
Let's do what you want to
I can tell, I can tell you want me

(verse 2)
So much flavor I can't lie,
It would be nice,
Girl if you would spend the night by my side,
Girl if your feelin' me,
There's more for you to see,
Cause I want you,
Like you want me

Tonight we'll go on & on
Feelin' strong
Let's make love to the break of dawn
Baby you know just what you do, girl it all depends on you
Girl I can tell that you want me
& I want you too

(chorus to the end)
