

One Of God's Better People

Robbie Williams

You're one of God's better people
And you don't know
That's why you're special
And I cry so I can talk like this
From my downbeat existence
And I know that you can make my wish
If my wish is pure But I don't know
I just don't know
I don't know
Let me love you so
Now I can't live this without you
I'd die without you
Without you, without you You're one of God's better people
And you don't know
That's why you're special
It must hurt to see your favourite man
Lose himself again and again
And I know that you're my only friend
From way back when My wish was pure
It was oh so pure
It was pure
I couldn't love you more
Now I can't live this without you
I'd die without you
Without you
Now I can't live this without you
I'd die without you
Without you, without you 'Cos I don't know no more
I just don't know no more
I just don't know
Let me love you so
Now I can't live this without you
I'd die without you
Without you
Now I can't live this without you
I'd die without you
Without you, without you You're one of God's better people
And you don't know

That's why you're special
