

I Do Believe (Acoustic)

Waylon Jennings

In my own way, I'm a believer
In my own way, right or wrong
I don't talk too much about it It's something, I keep working on
I don't have too much, to build on
My faith has never been that strong There's a man there in that old building
He's a holy man, they say
He keeps talking about tomorrow While I keep struggling with today
He preaches hell, fire and brimstone
And heaven seems so far away I do believe in a higher power
One, that loves us one and all
Not someone to solve my problems Or to catch me when I fall
He gave us all a mind to think with
And to know what's right or wrong
He is that inner spirit that keeps us strong In my own way, I'm a believer
But not in voices, I can't hear
I believe in a loving father One, I never have to fear
That I should live life at it's fullest
Just as long as I am here
