Mansion Over The Hilltop

George Morgan

I'm satisfied with just a cottage below
A little silver and a little gold
But in that city where the ransomed will shine
I want a gold one that's silver linedI've got a mansion just over the hilltop
In that bright land where we'll never grow old
And some day yonder we will never more wander
But walk on the streets that are purest gold
[organ]
Don't think me poor or deserted or lonely
I'm not discouraged I'm heaven bound
I'm but a pilgrim in search of a city
I want a mansion a harp and a crownI've got a mansion just over the hilltop...
[organ]
I've got a mansion just over the hilltop...
