Jedi

phat kid

I use the force 'cause I am a JediBut Im a bad boy and Im livin up at the beach
What ya gonna do now
When Im reaching for my piece of the action
But nobody seems to care, whoa, oh
Nobody seems to care thatI use the force 'cause I am a JediBut when Im hittin up a blunt
You know Im down to get high
Roll another one until
You know what it means to say
Goddamn youre a smokin machineIts just the bass
Irie, I the Jedi
