

# Boyfriend (remix)

Mike Stud

(Verse 1: Mike Stud)

No girl got yours for the weekend though,  
Your girl taken call Liam Neeson bro.  
Spring season mini skirt sequence flow,  
I got her leakin and I ain't even beatin though.  
Easy hoe balcony view some Pinot Grigio  
Now take it to the floor and play the piccolo.  
Now we havin a good time,  
So you can be my girl but only for the night  
Now listen..

(Chorus)

I'd like to be everything you want.  
Hey girl lemme talk to you.  
I can't be your boyfriend,  
I thought I'd let you know  
That we can have some fun tonight  
But then I gotta go  
So you can find a better man,  
Out there on your own  
Cuz if I was your boyfriend  
I know I'd do you wrong

(Verse 2: Mike Stud)

Let's make a video and put it on the internet.  
Good head girl I call it intellect  
Best you ever had and I ain't even finished yet  
Do you so good even the neighbors need a cigarette  
Call me Deion the way i out the D on  
Take her to the bed the bath and beyond  
Then I gotta be gone I got a flight to be on  
But i never told you different

Girl listen

(Chorus)

I'd like to be everything you want.

Hey girl lemme talk to you.  
I can't be your boyfriend,  
I thought I'd let you know  
That we can have some fun tonight  
But then I gotta go

So you can find a better man,  
Out there on your own  
Cuz if I was your boyfriend  
I know I'd do you wrong  
(Verse 3: Mike Stud)  
You got a prince not a king  
Imma duvet  
Bout to move in on the queen like I'm playin chess  
Yes, tell what you wanna do to me  
Come in the room with me be kinda like a movie scene  
Yeah, you got a man I'm chillin  
My hearts got ED it's no hard feelings  
And lemme take you where you wanna go  
And this is something that you gotta know  
(Chorus)  
I can't be your boyfriend,  
I thought I'd let you know  
That we can have some fun tonight  
But then I gotta go  
So you can find a better man,  
Out there on your own  
Cuz if I was your boyfriend  
I know I'd do you wrong  
I know I'd do you wrong  
Oh oh,  
Yeah yeah yeah  
Oh oh  
Yeah yeah yeah
