

Sequestered In Memphis

The Hold Steady

Advisory - the following lyrics contain explicit language:

It started when we were dancing
It got heavy when we got to the bathroom
We didn't go back to her place
We went to some place where she cat sits
She said, "I know I look tired but everything's fried here in Memphis" Now they want to know exactly which
bathroom
Dude, does it make any difference?
It can't be important
Yeah, sure I'll tell my story again In bar light she looked alright
In daylight she looked desperate
That's alright, I was desperate too
I'm getting pretty sick of this interview Subpoenaed in Texas
Sequestered in Memphis
Subpoenaed in Texas
Sequestered in Memphis I think she drove a new Mustang
I guess it might be a rental
I remember she had satellite radio
I guess she seemed a bit nervous Do you think I'm that stupid?
Oh, what the hell I'll tell my story again In bar light she looked alright
In daylight she looked desperate
That's alright, I was desperate too
I'm getting pretty sick of this interview Subpoenaed in Texas
Sequestered in Memphis
Subpoenaed in Texas
Sequestered in Memphis Subpoenaed in Texas
Sequestered in Memphis
Subpoenaed in Texas
Sequestered in Memphis (I went there on business)
Subpoenaed in Texas
Sequestered in Memphis
(I went there on business)
Subpoenaed in Texas

Sequestered in Memphis(I went there on business)

Subpoenaed in Texas

Sequestered in Memphis

(I went there on business)

Subpoenaed in Texas

Sequestered in Memphis
