

# Any Old Time (feat. Artie Shaw)

**Billie Holiday**

Any old time you want me  
I am yours for just the asking darling  
Any old time you need me  
Ill be their with love that's lasting darling.  
All through the years we'll stand together  
Sharing the tears and stormy weather  
And the sunshine will be yours and mine  
Any old time your blue  
You'll have our love to chase away  
And any old thing you do ill see you through.  
So just remember that I am waiting dear  
If ever you want me ill be near,  
Any old time and any place where you may be.
