Chasing You Around

The Swon Brothers

If I was a city, in Spain or Italy
Would you stay here or would you come over?
If I was a whiskey tempting you to drink
Would you take me down or would you stay sober?Is it easy to find a love like mine?
To use me up and kick me to the ground
If your heart could do the talking
Would it even make a sound?
Do you love me or love me chasing you around?If I was a sunset that you haven't seen yet
Would I catch your eye or turn your head?
If I was a secret, could you even keep it?
Could you even stand to hold it inIs it easy to find a love like mine?
To use me up and kick me to the ground
If your heart could do the talking
Would it even make a sound
Do you love me or love me chasing you around?In a hurried conversation on the phone at 2AM
You said that you'd drop by but you never did
And with one last broken promise, I finally realize
I may be yours, but you ain't mineWould it even make a sound?
Do you love me or love me chasing you around?
