

Singalong

Karen O

Almost gone, can't be long
Till I knew 'bout you
Instant troll
I don't know, but I do, I doSing along, sing it anyway
All along, on your way home
Could be wrong, sing it anyway
Sing along with your favorite song
Its your own familiar melody
Its your own, don't be longYou could be wrong, sing it anyway
Where's control I don't know
But I do, I do, I do, I do
I do, I do, I do, I do
I do, I do, I do, I do
I do, I do, I do, I do
