

# Breath from Another

## Esthero

You sure do got a pretty mouth  
Why dont you drop my pants?  
Ill make you squeal like a pig  
Feet in the water is not cold enough  
Youre not woman enough  
Inside your daughter is not warm enough  
And youre not woman enough, no  
Dont compromise whats gold  
For the soul you never sold  
For the soul you never sold, no  
So I follow you down this road  
Well, you try but you cant let go  
So hold on to years ago  
Cold as a lover  
Dont you wanna stay?  
Breath from another  
And Ill have my way  
Inside your daughter  
You can never hold what you cant let go  
Cause he wants it so  
Shed sell her own mother  
Just to make a dime before closing time  
When he tells her so  
Dont compromise whats gold  
For the soul you never sold  
For the soul you never sold, no  
So I follow you down this road  
Will you drive? Well, you cant let go  
So long, two years ago  
She said she wanted me to hit it  
But I said I wasnt with it  
Eyes red, thighs spread, better come get it  
While its hot the goods I got, never mind my bad credit  
Told me how she was soaking wet and Im the one who wet it  
Cant lie I sweat it but I knew that if I ran through  
that  
Its up the creek, Im headed  
Body was there without nor sight nor vision still embedded  
But I knew for fucking sure that in the morning Id regret it  
Had to debt it, I jetted  
He got me hooked til I was shooking in the middle of the game  
Tearful eyes, touch my thighs, future high youll be my game  
Could have kept it but I left it embedded instead of it dissecting me  
Free spirit I feared it but steer it to clear it the stress in me  
Possessing me, the chemistry, mother want me in the  
ministry  
Where misery influenced me corruption claiming custody  
And I knew this time that I had to feel the pain

It was needed so Ill see what 'cause deception in this gameDont compromise whats gold

For the soul you never sold

For the soul you never sold, no

So I follow you down this road

Will you drive? Well, you cant let go

So hold on to years agoIll try to understand

When youre down on your knees in front of a man

Ill try to understand, no

Dont compromise whats gold

For the soul you never sold

For the soul you never sold, girl
