Together

Plug in Stereo

Yo I don't wanna be the one to break the news to you
But girl I'm so in love with you
So tell me what the hell am I supposed to do
I got this feelin'
From my head down to my toes
With a little bit of luck maybe she'll know
That I'm not quite over her
Hey I know that it's kinda been
A long time since you and I were together
But hey I have a confession to make
I have a damn good time when we are together
Yo I don't wanna be the one to break the news to you
But girl I'm such a fool for you
So tell me what the hell am I supposed to do
I got this feelin'
With a little bit of self esteem
Catch a little bit of courage from a couple drinks
And I'll tell her how I feel
Hey I know that it's kinda been
A long time since you and I were together
But hey I have a confession to make
I have a damn good time when we are together
It's been too long since I've seen you
And it's getting worse by the day
I got something to tell you
And I'm itching to hear what you'll say
Hey I know that it's kinda been
A long time since you and I were together
But hey I have a confession to make
I have a damn good time when we are together
