

# How Long Blues

[Skip James](#)

Note: hyphen=unsung word How long

Baby, how long

That ev'nin' train been gone?

So long, honey, so long I got to the station

When she left town

I'm blue an disgusted

I didn't know where to be bound

Howlin', how long

Baby, how long

Honey, how -How long, baby

That ev'nin' train been gone?

But so long

Baby, so long

Honey, so long How long

Baby, how -

Am I to be

Treated wrong?

But in so long

Honey, so long

Honey, so -(piano) How long

Baby, how -

Why must I keep my

Watch in pawn?

But so long

Baby, so long

Honey, so -How long

Baby, how -

How long, to sing this -

But honey

Honey, so long

And baby, so -(piano to end)~
