

Can't Stand It

Never Shout Never

Baby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super fucking cute
And I can't stand it
I've been searching
For a girl that's just like you
'Cause I know that your heart is true
Baby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand it
Let's sell all our shit
And run away to sail the ocean blue
Then you'll know that my heart is true, yeah
Baby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute

And I can't stand it
You, you got me where you want me
'Cause I'll do anything to please you
Just to make it through another year
You, I saw you across the room
And I knew that this was gonna blossom
Into something beautiful, you're beautiful
Baby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand it
Baby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand it, no, I can't stand it, no, I can't stand it
