

# She Could Be You (Kyle XY)

**Shawn Hlookoff**

I'm haunted by this photograph  
Don't know why  
Everytime i look, i get shivers down my spine  
You're such a beautiful face  
I know these eyes  
They take me back in timeShe could be you  
I wouldn't even know  
She could be you  
But that was long time ago  
She could be you  
I wish that i could tell you  
What you don't know  
I dream about that day  
But it's impossible  
In another world  
I'll be yours tonight  
But i can't break free from this lifeShe could be you  
I wouldn't even know  
She could be you  
But that was long time ago  
She could be youI see it all the time  
I know it's true  
A picture doesn't lie  
She could be you  
I wouldn't even know  
She could be you  
But that was long time ago  
She could be you  
She could be you  
She could be you
