

# Rio Rocks!

## Sigue Sigue Sputnik

Well girls will be boys  
And boys will be girls  
It's a mixed up muddled up shook up world

Well some like it hot  
And some like it cool

Well like it or not  
This is what you got

A space age party  
That's never gonna stop

Chorus:

Aah aah aah aah

Rio rocks

Rio rocks

It's a city in shock

Yeah Rio rocks

On Ipanema beach

We got two girls each

And everybody you meet

They're rockin' to the beat

Let's get crazy

Let's strip in the street

Cos some like it hot

And some like it cook

Well like it or not

This is what you got

A space age party

That's never gonna stop

Chorus x 2

So let's get high

So let's get high

So let's get high

On a free supply

What a crystal champagne

Rock 'n' roll way to die

Chorus x 3
