

# Misty Blue

Mary J. Blige

If my mother was out there  
I'd dedicate this to her tonight Oh, it's been such a long, long time  
Looks like I'd get you off of my mind  
But I can't, just the thought of you, my love  
And my whole world turns misty blue Oh, honey, just the mention of your name  
Turns a flicker to a flame  
Listen to me good baby, I think of the things that we used to do  
And my whole world turns misty blue Baby, baby, baby, baby  
When I say that I'm glad we're through  
Deep in my heart, I know I lied, I lied Baby, baby  
When I say that I'm glad we're through  
Oh, deep in my heart, I know I lied, I know I lied Baby, baby, baby, baby, baby, baby, I can't forget you  
Heaven knows I try, heaven knows I try, and  
Oh, no, I can't, no, I can't, oh, I can't, I can't forget you  
And my whole world turns misty blue Oh, baby, baby, baby, baby, baby, baby  
I can't, said I can't forget you  
If you know the song, sing along  
Ooh, 'cause my whole world turns misty blue And I wanna say, before I go right now tonight y'all  
Because I don't have anything else unless you wanna hear it  
I wanna say from the bottom of my heart  
Now I really know what love is from a distance and it's real love And I wanna thank each and every one of you  
For supporting me, 'cause I couldn't have done it without you  
And I'd be misty blue if I didn't have your love  
And if it was you, I'd be out there screamin' and cheerin' for you Baby, baby I should forget you
