

# Black Rat

## DZ Deathrays

What can change in the?  
I'm a black rat with a cool basement  
But back is still hazing in every part  
Trapped inside by rats red houndWhy if you knew?  
I could have gone wrong  
So these mistakes be with youI did not feel too  
Trapped in a basement way too long  
Fucked in the cracks and see how it looks  
Lookin' for someoneAnd not being dead from the startWhy if you knew?  
It could have gone wrong  
So these mistakes be with youDidn't I wait too long?  
Left in a basement way too long  
Why if you knew?  
It could have gone wrong  
So these mistakes be with you  
Trapped in a basement way too long  
Trapped in a basement way too longI rock when you cross this love
