

Stronger

Skillet

My skin is my disguise
I'm more than a man
I smile at my demise
Ask who I am More than a man
More than a man
More than a man
More than a man My skin is my disguise
I'm more than a man
I was sent to rule on Earth
Ask who I am I wreck, I wreck, I wreck
I wreck with every prayer
Ask who I am 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah
'Cause I'm stronger, yeah
Than the Devil, yeah, yeah Stronger
Stronger The fear tries to take me
The flesh tries to pull
Blackness all around me
But I'm undefeatable My God is strong
My God is strong
My God is strong
My God is strong All creation watches
For Him to arrive 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah
'Cause I'm stronger, yeah
Than the Devil, yeah 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah
'Cause I'm stronger, yeah
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah
'Cause I'm stronger, yeah
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah
'Cause I'm stronger, yeah
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah
'Cause I'm stronger, yeah
Than the Devil, yeah, yeah 'Cause I'm stronger, yeah
Than the Devil, yeah, yeah

'Cause I'm stronger, yeah
Than the Devil, yeah, yeah Stronger
Stronger
Stronger
Stronger
