

She said yes

Chad Brock

She moved into my old apartment
That's how we got this whole thing started
She called and said that I had mail
Waiting there for me I told her that I'd come and get it
How could I know in just a minute
That I'd be standing face to face
With my own destiny Ohh, and we sat there talking just like we were old friends
Ohh, then I asked her, "Can I see you again?" She said, "Yes", and I said, "Wow "
And she said, "When", and I said, "How about right now?"
Love can't wait, then I asked if she believed in fate
And she said, "Yes" The days flew by just like a fast train
And nothing else has been on my brain
Except the thought of how she makes me
The man I want to be She's the one I want for a million reasons
Loving her is just like breathing
It's easy and it's obvious
She was made for me Ohh, then it happened one night, looking in her eyes
Ohh, when I popped the question, much to my surprise She said, "Yes", and I said, "Wow "
And she said, "When", and I said, "How about right now?"
Love can't wait, then I asked if she believed in fate
And she said, "Yes" So we called the preacher family and friends
And nothings been the same since She said, "Yes", and I said, "Wow "
And she said, "When", and I said, "How about right now?"
Love can't wait, then I asked if she believed in fate
And she said, "Yes", she said, "Yes"
