## **Collision**

## Faith No More

Collision, my missionWhen the dawn breaks with a handshake
Relaxed and feeling greatScreeching, head on, head on, head on
I need it, head on, head on, head on
Screeching, head on, head on, head on
I need it, head on, head onAll the day's plans
All the shaking hands
Beepers and suntansScreeching, head on, head on
I need it, head on, head on, head on
Screeching, head on, head on
I need it, head on, head on Collision, my mission
Head on, head on, head on head on
Relaxed and feeling greatCollision, my mission
Mission, mission
Head on, head on, head on
Head on, head on, head on
