The Invisible Man

Lush

Outside you are
Waiting for me, hiding
You catch me when I am
Needing a friend to holdYou can soothe me
Lie above me, press hard
Then you strike and I think
That I'll die 'cause I can't breathe, can't breathePlease let me start screaming
Please let me start screaming
Please let me start screaming
Please let me start screamingPlease let me start screaming
Eyes are open seeing nothing
Hands are tied and I can't function
Please let me start screaming
