Tether

On Broken Wings

Show me the stairway I have to climb
Lord, for my sake
Teach me to take on day at a time
Wash it away
It's too much for on soul to take
Yeah, I think you're sucked down to far into this
So now tonight, so far, it's alright
Should this seem safer under blanket and sheet
Still can't hide your face and you're still not home
Take me from my room alone
