Big Girls Are Best

U2

Oh, oh, oh
Oh, oh, oh, babyAs long as the night is colored
Blue and black
Oh yeah, yeah, yeahAs long as you're on your knees
And she's not on her back
Oh yeah, yeah, yeahAvenue Atlantico, 1702
She's cocoa butter baby, she's the glue
She's got the baby at her breast
She knows big girls are bestMama mama mamaI'm gonna change like the weather
Hot to cold
Oh yeah, yeah, yeahShe keeps it all together
She's got the mother load
Oh yeah, yeah, yeahShe feels it, every sensation
She's got a smile like salvation
She's got a baby at her breast
She knows big girls are bestOh, ma ma ma
Sexy mama ma
Sexy mama maSexy mama ma
Sexy mama ma
Sexy mama ma
Mama mama mamaShe's elliptical
Also political
All so spiritual
Not superficialYeah, she's tropical
Yes, she's illogical
Those little girls are a pest
Big girls are the bestOh, oh, oh
Oh, oh, oh, babyAs long as the night is colored
Blue and black
Oh, yeah, yeah, yeahAs long as you're on your knees
And she's not on her back
Oh, yeah, yeah, yeahShe can taste every sensation
She's got a smile like salvation
She's got a baby, a baby at her breast
She walk like she talk, big girls are best, big girlsMama mama mama
Sexy mama mama
