

Big Girls Are Best

U2

Oh, oh, oh
Oh, oh, oh, baby As long as the night is colored
Blue and black
Oh yeah, yeah, yeah As long as you're on your knees
And she's not on her back
Oh yeah, yeah, yeah Avenue Atlantico, 1702
She's cocoa butter baby, she's the glue
She's got the baby at her breast
She knows big girls are best Mama mama mama I'm gonna change like the weather
Hot to cold
Oh yeah, yeah, yeah She keeps it all together
She's got the mother load
Oh yeah, yeah, yeah She feels it, every sensation
She's got a smile like salvation
She's got a baby at her breast
She knows big girls are best Oh, ma ma ma
Sexy mama ma
Sexy mama ma Sexy mama ma
Sexy mama ma
Sexy mama ma
Mama mama mama She's elliptical
Also political
All so spiritual
Not superficial Yeah, she's tropical
Yes, she's illogical
Those little girls are a pest
Big girls are the best Oh, oh, oh
Oh, oh, oh, baby As long as the night is colored
Blue and black
Oh, yeah, yeah, yeah As long as you're on your knees
And she's not on her back
Oh, yeah, yeah, yeah She can taste every sensation
She's got a smile like salvation
She's got a baby, a baby at her breast
She walk like she talk, big girls are best, big girls Mama mama mama
Sexy mama mama
Mama ma
Sexy mama mama mama ma Sexy mama mama mama ma
Sexy mama mama mama

Ma mama
